

***Make an impact in the life of an urban teen...***

***Volunteer as a tutor/mentor...***

**Bluegrass Youth for Christ/City Life** conducts tutoring sessions for urban teens after school on Mondays, Tuesdays, Wednesdays, and Thursdays (when school is in session). The majority of the students involved are using PLATO, an on-line learning/credit recovery program. Your presence, guiding help, and encouragement will greatly impact a young person.

As the character of Jesus shines through each tutor/mentor, it is our prayer that each young student will be drawn to Christ.
