**BLUEGRASS YOUTHFORCHRIST  
PRAYER PARTNERS GUIDE  
MARCH/APRIL 2010**

***In everything, by prayer and petition, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and minds in Christ Jesus. Philippians 4***

### **MARCH 2010**

- ◆ Praise God for strong ongoing relationships with family court judges, school administrators, and social services workers who continue to refer students to us, and welcome our “partnership” in servicing needy youth.
- ◆ We have now had 60 students in our tutoring program this school year. Please pray for those currently involved, that they will focus on “recovering” missed credits, and work back to their “grade level.” Pray in particular for those who are working towards graduation in June. With the influx of kids needing tutoring help, we need to provide additional tutors/mentors. Please pray (respond if God leads) about this urgent need.
- ◆ Pray for our all-night LOCK-IN at the Lexington Ice Center on March 12/13. A number of church youth groups are joining us for 6 hours of activity. We anticipate 60-100 kids. Pray for the presence of God’s Spirit—in the Gospel presentation, in each game and activity, in providing safety, as a mix of Caucasian, African-American, and Hispanic youth come together.
- ◆ Pray for the YFC Board of Directors, as they give leadership and counsel in these challenging days. Pray for meetings on March 9 and April 13.
- ◆ Praise for Ben, soon to graduate from Asbury Seminary, who is serving an Internship with us this semester.
- ◆ Please remember our ongoing financial needs. These are extremely challenging times.

### **APRIL 2010**

- ◆ Pray for our staff team as they daily touch the lives of our youth with the love of Christ.
  - Bruce (Bake) & Rainey Baker—Executive Leadership and vision/Fund raising/Staff care
  - Dan & Paula Boycott—Oversight of administration & operations/Volunteer recruitment and coordination/tutoring and transportation/Youth ministry networking
  - Aaron & Joyce Mosley—Coordination of City Life ministry/Court referrals/School relations/Impacting urban teens and their families
- ◆ Pray that students in tutoring will stay motivated “to stick with it,” particularly as warmer, brighter weather arrives.
- ◆ Pray for preparations for major upcoming events/projects:
  1. Spring Report and Vision Banquet on May 14.
  2. Church Challenge Golf Event on May 22.
  3. Kids Across America Kamp in late July. Pray for registration money that needs to be sent by May 15.
- ◆ Pray that young people will be drawn to Jesus, and receive His gift of eternal life.
