

WORLDWIDE MOVEMENT

Vision Statement: Our vision is that every YFC/USA staff person will become more aware, will tangibly serve, and will become an integral participant in the worldwide YFC movement.

GOAL #1 - Worldwide People Development: YFC/USA will develop all new and existing staff to have worldwide mindsets and ongoing international experiences by 2005.

GOAL #2 - Visibility/Communications: By 2006, all YFC staff and an ever increasing percentage of the Christian community will understand that YFC is a vibrant worldwide movement.

GOAL #3 - Funding: As a result of the greater visibility, education, and involvement of YFC/USA staff, by 2005 \$1,000,000 of new money will be raised per year in the USA for the worldwide movement.
